Meeting Minutes — Q3 Product Review

Vertex Labs Q3 Product Review Meeting Minutes

Date: October 5, 2023

Time: 10:00 AM – 12:30 PM

Location: Virtual (Zoom)

Attendees

- Sarah Chen (Product Manager)
- James Wilson (Engineering Lead)
- Lila Rodriguez (UX Designer)
- Raj Patel (Data Analyst)
- Emily Carter (Marketing Director)
- Kevin Nguyen (Customer Success Lead)

Agenda Items

1. Product Performance Review

Discussion Summary:

The team reviewed Q3 performance metrics, including user growth, retention rates, and feature adoption. Raj Patel presented data showing a 12% increase in active users compared to Q2, but noted a 5% drop in monthly retention. Emily Carter highlighted that the new onboarding flow improved sign-up conversion by 8%, while Kevin Nguyen raised concerns about declining satisfaction scores in the customer support channel.

Decisions:

- Allocate additional resources to the retention team to address churn.
- Revise the customer support process to reduce resolution times.

2. Feature Roadmap Update

Discussion Summary:

James Wilson outlined the Q4 roadmap, emphasizing the release of the AI-powered analytics dashboard by December 15. Lila Rodriguez shared feedback from the UX team about potential usability issues with the dashboard's interface. Sarah Chen proposed a beta test with a select group of users to gather insights before full launch.

Decisions:

- Proceed with beta testing for the analytics dashboard.

- Schedule a UX review session for the prototype by October 20.

3. User Feedback Analysis

Discussion Summary:

Raj Patel presented aggregated user feedback from surveys and support tickets. Key themes included requests for improved customization options and faster load times. Emily Carter suggested integrating feedback into the Q4 roadmap, while Kevin Nguyen emphasized the need for clearer communication about feature updates.

Decisions:

- Prioritize customization features in the Q4 sprint.
- Launch a quarterly newsletter to update users on progress.
